#### Benefit from an Innovation Advisory Call

A 30-minute call with an InnoLead senior leader to discuss your organization's innovation program, structure, objectives and challenges. Opportunity to get access to relevant tools, research, introductions, contacts, and other resources for improving outcomes.

#### Join the Innovation Executive Group (IEG)

Participate in exclusive, monthly, off-the-record Executive Group calls, which are hosted specifically for senior executives at large enterprises. During these sessions, executives share challenges, provide guidance, and discuss emerging technologies, trends, partners and resources they rely on, and more. Topics are set by group members. VP level and above.

#### Get access to discounted “Inquiry Hours”

Our most valuable benefit, “Inquiry Hours” are blocks of time for members to get confidential, personalized support and guidance from the InnoLead team, which has 30+ collective years in the industry. Whether you need a “sounding board,” an assessment of where your initiative currently stands, or vendor-selection assistance, InnoLead has done it all.

##### **Rates** *(purchased in five-hour blocks)*

For Enterprise Members:	\$400 per hour
For All Other Members:	\$500 per hour
